

CLUE

All you need to know about attending camp this summer!

This summer's camp spiritual theme: FEARLESS!

Fun theme: SURVIVOR

Camper Check-in Day

Check in is from 1:30pm to 4:45pm on Sunday. This year check in will look different if you have been a Cedarbrook camper previously. For check in your camper will be assigned to a group. Please note your group check in (A, B, C, or D) in the email sent from the Registrar. If you anticipate arriving later than your designated time (or 4:30 pm), please call the Registrar at 206-390-7468 and leave a message stating your approximate arrival time.

To ensure physical distancing and allow for safety precautions, check in will be done in a "Drive Through" manner. The **first stop** will be as you enter the campground where everyone in the vehicle will be checked to ensure they are wearing a mask. A mask will be provided to everyone who is in need. The **second stop** will be as you begin to travel up the hill. This stop will allow for everyone to have their temperature taken and symptom screening criteria reported. Once this is passed, you will travel up the hill to the **third stop** where the camper will receive their camp t-shirt. The **fourth stop** will be by the basketball court and will allow check in with waterfront staff. If the camper has signed up for the Horsemanship activity, a check in with the wranglers will occur also at this time. Moving on to the **fifth stop** at the other end of the Dining Lodge; this is where you will check in with the Registrar, drop off any Tuck money for the campers account, any mail, or packages that you may be bringing for the camper, and or special dietary items the camper may need during the week. The camper will also receive their name tag and cabin designation as well as cabin drop off location. Once completed at this stop the **sixth stop** will be at the nurse's station where you will drop off any medications the camper may need to

take during the week and a brief health review will be done. Finally, you will be able to drive to a designated area in which to drop the camper and their luggage off. The camper will be met by camp staff and assisted to their cabin. We are unable to allow parents to go to the cabins.

When dropping your camper and their luggage off, please ensure that they keep their camp t-shirt with them as it will be needed for camp photos during the week. *Please be sure to leave any electronics (e.g., cell phones, MP3 players, iPods, Kindles/iPads etc.) in the car.*

If you need restroom facilities prior to leaving camp, the restrooms near the pool will be available for your use. We will also have our TUCK shop open for you to purchase snacks for yourself, or a small gift surprise for your camper, prior to your leaving camp.

Departure Day

Departure for campers is as follows:

Voyagers depart at 6:00 pm on Tuesday. Voyager parents will get a pickup procedure emailed to you with Monday evening's parent email.

All other campers will depart between 9:45 am – 11:15 am (depending on your assigned group) on Saturday. More information as to your assigned group will be emailed to you in the Thursday evening parent email.

If, for some reason, you need to pick your camper up at a time other than the designated departure time, please make this arrangement with the Registrar when you check your camper in on Check-in Day.

Checking out your camper will be done in a drive through mode, as well. The first and second stops will be the same as when your camper checked in. The third stop will be at the Dining Lodge where you will check out your camper with the Registrar, receive their camper envelope and any returned Tuck money. At this time, you will also receive a camp map indicating where you will pick your camper(s) up at their designated locations. This pick-up spot will be the same spot as drop off.

Once you have arrived at the designated pick-up spot, please notify the staff member who you are picking up. They will notify the cabin staff. Your camper and their belongings will be brought out to you. Please stay in your car while you wait for your camper to arrive.

When you have picked up your camper, if you need restroom facilities you may use the facilities next to the pool. Once complete, please leave the campground promptly.

Please be prompt as your camper is anxious to share about his/her week's activities with you. If you foresee that you will be late by more than 30 minutes to pick up your camper, please contact the Registrar by phone/text at 206-390-7468.

Health and Safety

Please complete the online health form and camper release form by July 1. This helps us to plan for your child's health and safety while at camp. Please be sure to include the date of their last tetanus shot. A copy of the camper's medical insurance card (front and back) is also required to be uploaded as this is an ACA standard.

All medications (prescription and nonprescription) are given to the nurse during check in. The medications will be dispensed by the nurse during the week as prescribed. An exception may be made for inhalers or topical creams. When sending pills, please send only the number your child will use in the week, in the original labeled container. If the dosage differs from the pharmacy labeling, please bring a copy of your health provider's prescription for the correct dosage. All medications will be given following the prescription labeling or physician orders. No exceptions.

Our infirmary is well stocked with several varieties of pain relievers, decongestants, and antacids, so you need not send those. Please be sure you have indicated on the health form to allow us to give medications treating your child's condition as deemed necessary.

The nurse's primary responsibility is to care for the chronic medical conditions of campers and staff, treat acute illness and injury, and to ensure safety for all campers and staff. Therefore, we discourage parents from sending medications that are not for a specific, diagnosed medical condition.

If your child is exposed to chicken pox, Covid-19, or another communicable disease within two (2) weeks of his or her scheduled arrival at camp, please call the Registrar before you leave home. If your child is sick when he or she is due at camp, please call the Registrar to make further arrangements. If you have any questions about your child's special health needs prior to camp, please contact our Registrar/Healthcare Manager, Jayne Blackburn, RN @ 206-390-7468.

Our staff, and Koinonia's staff, will be taking all precautions necessary to prevent Covid-19. This includes daily symptom checking, daily temperature checking, ensuring masks are worn by all campers and staff, according to Washington state protocols and enhancing our cleaning protocols and frequency of cleanings. If a camper or staff member appears to have symptoms of Covid-19, they will be immediately quarantined from others and sent home, home, pursuant to a secondary evaluation that finds the symptoms indicate onset of illness, by the nurse and camp health care manager, no exceptions.

If another type of communicable disease (i.e., chicken pox) shows up at camp, all unimmunized campers and staff will be sent home immediately for their protection.

A parent or guardian will be notified if off-site medical care has been administered in case of illness or injury. A parent or guardian will also be notified if your child is unwell enough to be in the infirmary more than 4 hours.

Horsemanship

Campers sign up to take the Horsemanship activity when they register for camp. This activity is for campers attending the Classic Camp week.

Trail rides may be offered to any camper during free time (ages Pathfinder and older) for a fee of \$15 (no horse experience is necessary to go on a trail ride). The cost of the trail ride is deducted from the camper's Tuck account. If trail rides are offered, campers are guaranteed one (1) trail ride and possibly a second during the week, depending on the number of campers interested.

Campers taking Horsemanship or a Trail Ride are required to have the Horsemanship waiver signed (this is part of your camper's registration) by a parent/guardian, wear long pants and have shoes with a defined 1/2" heel. The wranglers do have a limited number of boots in various sizes that campers may use as well. Please contact the Registrar, to reserve a pair for your child's use during their week at camp. The availability is limited and first come, first serve. Boots will be sanitized between use.

Foot Care

Closed-toe and closed-heel shoes such as tennis shoes are required for camp. Socks are highly recommended. Aqua socks or flip flops may only be worn in the cabin or at the waterfront area. Shoes with a 1/2" heel are required for those campers taking Horsemanship.

Tuck Shop

The camp store, also known as the Tuck Shop is open to campers each day during free time. Campers may purchase two candy items and one soda item daily from *Wet Tuck* and any items from *Dry Tuck* that they wish, providing there is money in their account. We also offer fruit, chips, ice cream and nuts in *Wet Tuck*. *Dry Tuck* items include: stationery, stamps, toys, hygiene items, journals, backpacks, water bottles, totes, and stuffed animals. Most campers bring \$20–\$30 to spend in the camp store. Remember to add an

additional \$15 if your camper is interested in taking a Trail Ride.

All expenditures are tracked daily. Any remaining amount will be refunded Saturday morning prior to the camper leaving.

Homesickness and Telephone

A little homesickness is to be expected of most campers. However, most campers get so busy within minutes of their family's departure that their homesickness dissipates as they become fully engaged in the camp experiences. The counselors and staff are trained to help campers at times when they are particularly missing home. We have found it best for campers not to receive or make phone calls during their week at camp. Be assured we will not hesitate to call you if it is necessary. If you would like an update during the week, please inform the Registrar before the week begins or at the time of registration. You may also email the Registrar during the week to receive an update.

Our Registrar also sends out daily prayer and praise requests to parents and provides a little insight as to what's happening with camp. Be sure that the Registrar has your email address so that you can read what is going on at camp and become a prayer partner. If you wish for another parent to receive the emails as well, please notify the Registrar. Daily postings with pictures will also occur on the [Cascade Camp Cedarbrook Facebook page](#). Sign up to *Like* CCC and get daily updates this way as well. New this year is our Instagram account @cascade.camp.cedarbrook. We will be posting photos throughout the day here as well. Follow us on Instagram!

You can also help to minimize the homesickness that your camper feels by assuring the camper that they are going to have a wonderful time at camp and that you will be praying for them to have a great week.

In addition, we suggest sending a letter via US mail or a bunk note via UltraCamp or Bunk 1 (see the camp website for details). These messages help to assure campers that they are doing well at camp. UltraCamp and Bunk 1 messages are downloaded and distributed once daily.

Mail at Camp

It is always fun to get mail at camp! At least three days before your camper leaves home, mail a letter so they will receive it early in the week. Fill it with cheerful, positive news. Do not send food or candy. Please note: If sending parcels via Federal Express, waive the signature requirement of the recipient. The camp address is:

Cedarbrook @ Camp Koinonia
850 Camp Koinonia Lane
Cle Elum, WA 98922

Please be sure to put your camper's name somewhere on the front of the envelope/package.

** Also note, it takes 2-3 days mailing time from Seattle to arrive at camp if sending something via the post office.

Emergency Information

Should an emergency require you to contact your child while at camp please use one of the following numbers:

Jayne Blackburn, Registrar: 206-390-7468
Camp Emergency Phone: 509-674-5767

What will a day at camp look like?

Mornings begin with flag raising, breakfast and personal devotion time with God. This is followed by activity time and Bible Exploration. Lunch is next followed by Kickback. Two more activity times occur in the afternoon as well as free time and a chance to go to the Tuck Shop. The evening starts with dinner and is followed by divisional evening programs, snacks, and campfire talks. The day ends with cabin wrap up.

Driving Directions

From Western Washington

Take I-90 eastbound. 25 miles east of Snoqualmie Pass, take Exit 78 (Golf Course Road). Turn right (south) and cross the railroad tracks. Continue up the hill and take the first right. The entrance road to Koinonia, on the left, starts at the first bend in the road. Watch for Cedarbrook/Koinonia signs.

Driving time is approximately 1.5–2 hours from Seattle.

From Eastern Washington

Take 1-90 westbound. Approximately 10 miles west of Cle Elum take Exit 78 (Golf Course Road). Turn left (south) and cross the railroad tracks. Continue up the hill and take the first right. The entrance road to Koinonia, on the left, starts at the first bend in the road. Watch for Cedarbrook/Koinonia signs.

Driving time is approximately 3 hours from Spokane.

Packing List

Please label everything with your camper's name or initials.

- Face mask (1 for each day of the week) – this is not required to bring as we will have masks available for campers and staff. Neck gaiters or bandanas are not adequate face coverings.
- Sleeping bag, pillow, and pillowcase
- Sleepwear, warm or layered to allow for the extra ventilation in cabins this year.
- Undergarments and socks – 8 each
- Modest shorts and shirts – 4-8 each
- Jeans or pants – 2 pair (more if taking Horsemanship)
- Light jacket or sweatshirt
- 2 pair sneakers or closed-toe/closed-heel shoes
- Swim attire that is appropriate in the spirit of modesty (string bikinis, thongs, or Speedos will not be allowed)
- Comb, brush, shampoo
- Toothbrush, toothpaste
- Plastic cup or water bottle
- Soap, washcloth, and 2 towels
- Plastic bag to take home wet clothes
- Bible, pen, pencil, paper
- Addressed postcard or stationery to write home (*these items may also be purchased in the Tuck Shop*)
- Spending money for the Tuck Shop

- Book or puzzles to do quietly during Kickback
- Insect repellent – non aerosol
- Sunscreen
- Flashlight and fresh batteries
- A copy of the camper's medical insurance card (front and back) if it was not uploaded to the UltraCamp registration.
- Shoes with a defined 1/2" heel (if taking horsemanship). If you own a riding helmet and gloves, you are encouraged to bring those, also, for your camper's personal use.
- Watch
- Camera and film/memory card
- An extra plastic bag for your camper to pack their many camp treasures in at the end of the week.
- A lifejacket if your camper owns an appropriately sized one. We provide Cedarbrook lifejackets for use, but are aiming to have one camper per jacket, versus shared lifejackets. Personal lifejackets will not be shared. Cedarbrook lifejackets will be sanitized between campers.

Do NOT Bring:

- Radios, iPods, MP3 players, walk-mans, CD/DVD players, iPads, Kindles
- Cell phones or electronic games
- Chewing gum
- Cigarettes, tobacco, alcohol, marijuana or illicit drugs
- Guns or fireworks
- Clothing with inappropriate slogans or pictures
- Unwholesome books or magazines
- Pocket knives, Leatherman all-in-one tools
- Aerosol cans or fragrances
- Other items that could be construed as a weapon
- Pets (certified service animals ok)

We discourage campers from driving themselves to camp. If they do so, car keys must be turned in to the registrar at check in and campers will not have access to their vehicle until the end of the session.

Personal sports equipment is brought at your own risk. It is the owner's responsibility to care for and keep track of it. Personal equipment will be subject to the regulations that apply to similar equipment owned by the camp and may not be used until the appropriate activity specialist has inspected them for adherence to applicable safety standards. Regulations may require that they be kept under camp lock and key. (For example: personal bows and arrows.)

We look forward to seeing you and your child at check in. Please do not hesitate to contact the Registrar if you have any questions.
